

THE NEW

GRILL

The Grill That Cooks It All!

An American Made Grill

The New Phoenix Grill is more than a grill— it is a complete outdoor cooking system!

Easy enough for a beginner to use but built with all the quality and cooking features for the serious griller. This new outdoor cooking platform allows you to Grill, Roast, Steam and Smoke foods. Designed to enhance the flavor of the food, features have been built-in to reduce flavor damaging flare-ups. Grill with worry-free confidence that you will get great tasting food and consistent results.

It Grills

It Roasts

It Steams

It Smokes

Built with quality

Commercial grade stainless steel lid and fire box

Exclusive Sta-Kool stainless steel handle that swivels as you lift

Stainless steel dual burner with individual controls

Electronic ignition with stainless steel gas collector box for faster starts from either side of dual burner. *Battery included.*

Aluminum or stainless steel column encloses propane cylinder

Solid cast aluminum portable base with 6 inch rubber wheels (Deck/Patio Base also available)

Cast aluminum end caps for greater stability

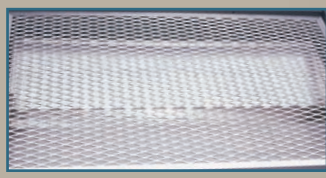

Stainless steel heat indicator

Stainless steel side shelves with utensil hooks (All grills come standard with 2 stainless steel shelves)

Large grease collector bucket

Stainless steel dual burner provides precise heat and each side is controlled individually. A stainless steel gas collection box is included for faster, more reliable starts.

Stainless steel cooking grid with handles for easy removal. Grid measures 24-1/4" x 16-1/2", over 400 square inches of cooking surface.

Cast aluminum drip pan shields food from direct contact with flame.

Vents with damper slide for added heat retention in cold weather.
